EXPRESIÓN E INTERACCIÓN ESCRITA - TASK 1

Your school is going to have a new building and the School Governors have decided it would be a good idea to bury a time capsule to be opened in the distant future. They have asked students to suggest **three objects** that might be included in the capsule to represent life in the twenty-first century. Write a **short article** explaining which three objects you think should be put in the time capsule, giving full reasons for choosing them. The best article will be published in the school magazine.

Write 130-150 words.
